Subject Have You Seen The EduFest WA Conference?

Hi [Insert Name],

I am just sending a quick email your way to let you know about a new professional learning opportunity coming to Perth in September that might be of interest to you and your team.

Taking place on the 11th of September 2024, EduFest WA is a one day education conference designed to equip educators with the skills and experience they need to foster the next generation of young innovators, entrepreneurs, and changemakers.

Over the course of the program, attendees will be engaging with workshops, seminars, and hands on masterclasses as they learn from industry leaders, network with like minded educators, and develop connections with strategic partners to help them craft impactful experiences for the young people in their community.

The event is a unique opportunity for educators to enhance their knowledge and understanding of intrapreneurship, innovation, design thinking, and entrepreneurship education, enabling them to teach these 21st-century skills with confidence.

Tickets are on sale now, and I'd love to see you there if you're able to make it. You're welcome to browse the program here: www.edufestwa.com/program

Kind Regards,
